Friday performance

Throughout the week, campers will be working on a short performance to showcase what they have learned at camp all week!

The performance will either be in person (inside or outside) at our studio, or filmed and emailed to you. You will be notified before Friday if it will be in person, or through an emailed video, depending on the programming and weather that week. If the performance is in person, this will take place at 11:45am on the last day of camp (Friday).

If you need to contact us at any time during the camp, please call or text Katie Korfmann at (519)770-9667.

Katie's Music Studio will be running our combined music/drama camps this year.
